

*The First WSU-IPM Joint Workshop on  
Operator Algebras, September 30-October 2, 2020  
(Webinar)*

## **Morita Equivalence, the Equivariant Brauer Group, and Beyond**

**Dana Williams**

*Dartmouth College, USA*

I will give a brief survey of work on the equivariant Brauer group together with the necessary preliminaries as well as generalizations involving groupoid  $C^*$ -algebras.
