

Weekly meetings on **Combinatorial Commutative Algebra**

The Commutative Algebra group of IPM is organizing a series of courses on Combinatorial Commutative Algebra. During these sessions different topics in this field will be discussed, with a special focus on the book “Binomial Ideals” by Jürgen Herzog, Takayuki Hibi and Hidefumi Ohsugi. Everyone is welcome to attend.

Confirmed Speakers:

Rasoul Ahangari Maleki (IPM)

Mina Bigdeli (IPM)

Raheleh Jafari (Kharazmi University and IPM)

Sara Saeedi Madani (Amirkabir University of Technology and IPM)

Schedule:

Thursdays 9 - 10:45

Starting from November 21th 2019

(Aban 30th 1398)

Venue:

Lecture Hall 1, Niavaran Building, IPM
