Operator Algebras and its Applications (OAA)

Dimension Theory and Classification of C^* -algebras

These series of lectures will be focusing on the Dimension Theory and Classification of C^* -algebras and will be held online.

The reference of these series of seminar is as follows:

- Aidan Sims, Gábor Szabó, Dana Williams, Operator Algebras and Dynamics: Groupoids, Crossed Products, and Rokhlin Dimension, Advanced Courses in Mathematics, CRM Barcelona, Birkhäuser, 2020.

For more information, please contact: mamini@modares.ac.ir.

September 2, 2020	<i>Introduction to dimension theory in operator algebras</i> Massoud Amini , IPM and Tarbiat Modares University
September 9, 2020	<i>Chapter 1 and 2</i> Zahra Hassanpour , University of Tehran
September 16, 2020	<i>Chapter 3</i> Marzieh Forough , The Czech Academy of Sciences
September 23, 2020	<i>Chapter 4</i> Navid Razavi , Tarbiat Modares University
September 30, 2020	<i>Chapter 5 and 6</i> Mahdi Moosazadeh , Tarbiat Modares University
October 7, 2020	<i>Chapter 7, 8 and 9</i> Ajmad Shirinkalam , Islamic Azad University
October 14, 2020	<i>Chapter 10</i> Mehdi Moradi , Tarbiat Modares University
October 21, 2020	<i>Chapter 11</i> Mehdi Moradi , Tarbiat Modares University
October 28, 2020	<i>Chapter 12 and 13</i> Zahra Naghavi , Tarbiat Modares University
November 4, 2020	<i>Chapter 14 and 15</i> Ali Asadi Vasfi , University of Tehran
November 11, 2020	<i>Chapter 16</i> Mohammad Shavandi , Mazandaran University
November 18, 2020	<i>Chapter 17</i> Ali Shakibazadeh , Tarbiat Modares University

Time: Wednesdays, 14:00-17:00
