### Conspiring against physicists?

You must be kidding! Mathematicians have much better plans.  
Read on:

*...beware of mathematicians, and all those who make empty prophecies. The danger already exists that the mathematicians have made a covenant with the devil to darken the spirit and to confine man in the bonds of Hell.*

*St. Augustine, De Genesi ad Litteram*

### **Announcement :**

- 🗨️ **A good news: now the first and second issue of Daily News and photos are available at the following URL: <http://www.ipm.ac.ir/ncg2005/pictures.jsp>**
- 🗨️ **We have heard that one of our friends, who used to participate in all IPM workshops, hasn't appeared since the beginning of NCG. According to some informed sources, he may have been shocked by lunch fees!**
- 🗨️ **Try to find the best lecturer and let us know by the end of the workshop. His prize will be a series of IPM published books.**
- 🗨️ **M. Khalkhali: "Students are the most important; I do not care about the rest!" He offers one chocolate to those who ask questions, two chocolates to those who ask good questions, three chocolates to those who answer the questions...**

## *Guess who is coming to dinner!*

Out of two close physicists, one died and the night after his ghost appeared in the other's living room. So the living physicist asked the friendly roaming spirit: "How is it there?"  
 His friend answered: " Very nice indeed! Every body is here. Good news is that Einstein is giving a talk this week and the bad news is that you are scheduled for next week!"
